30 Years of JASA...

Join us as we look back over thirty years of strengthening the bond between Japan and Alabama. We look forward to welcoming many JASA past presidents and Samuel Ullman Award past recipients as we celebrate our history and move forward together as a community.

Celebrate with us as we reflect on our past thirty years as a society and look forward to growth in the years to come.

Our Mission

The Japan-America Society of Alabama (JASA) is a private, nonprofit association in our third decade of encouraging and developing friendship and understanding between individuals who embrace the business, culture, and education of Japan and the United States.

Through programs responsive to social, economic, and political needs, Alabamians are afforded the opportunity to examine and learn from experiences and achievements of both nations. Join us as we promote and cultivate these enriching international relationships.

JASA welcomes members from all business organizations and individuals that have an interest in expanding U.S. business ventures in Japan or wish to promote a congenial climate for Japanese business in Alabama.

Our Program

Reception

Dine and converse with fellow Japanese and American industry and community leaders and enjoy the community of the JASA network. The 2019 program includes traditional Japanese performances, a special guest speaker, and a wonderful view of Birmingham from *The Club*.

New and Expanding Companies

We will recognize the Alabama Department of Commerce's 2018 new and expanding Japanese companies to showcase the significant economic impact of Japan on our state and show our appreciation for those who have chosen to call Alabama home.

The Samuel Ullman Award

The Japan-America Society of Alabama initiated the Samuel Ullman Award in 1992 to recognize those who have made significant contributions toward the advancement of the relationship between Japan and Alabama. We will honor the 27th recipient of the award during our celebration.
